Activity in Summer school [2021]

This details how we spent our funding for the summer school programme.

Additional subject support (for example, English and Maths)

Budgeted cost: £ [2938]

Activity	Evidence that supports this approach	Planned spend
<i>High quality English lessons planned by Lauren Meadows</i>	Lessons planned by Lauren Meadows and delivered by Westley teachers. Students taught specific reading and writing skills including specifically taught new vocabulary.	£1468
<i>High quality maths lessons supported by Anna Tapper</i>	Specific focus on arithmetic to ensure students improve their fluency in maths. Lessons delivered by specialist maths teachers to ensure maximum impact.	£1468

Sports-based activities (for example, team games)

Budgeted cost: £ [14638]

Activity	Evidence that supports this approach	Planned spend
<i>Multi sports led by Westley PE teachers</i>	It was clear that many children at Westley missed out on sports and physical activity during remote learning. Our PE department delivered fun, active and skill-based sporting activities every day of summer school.	£1486

Arts-based activities (for example, drama and visiting the theatre)

Budgeted cost: £ [1486]

Activity	Evidence that supports this approach	Planned spend
<i>Art, Music and Drama sessions led by specialist Westley teachers</i>	High quality and well-planned sessions to improve skills, confidence and well-being. Remote learning will have had the biggest impact on these subjects hence they were included in our summer school.	£1486

Total budgeted cost: £ [£5,874.54]
